[...] La poesía de Isabel es también musical, quizás porque es graduada de Educación en la Especialidad de Música y lo pretenda o no, le brota la musicalidad de manera espontánea. En este libro Soy, la autora evidencia su enorme caudal de emociones en elocuentes versos que cautivan por su sonoridad el oído del lector en esa simbiosis única que se establece entre el secreto del que crea y el destinatario a quien va dirigido en íntima relación para que no haya duda alguna de quien es realmente...
