1 Feb 2017 . "The most merciful thing in the world, I think, is the inability of the human mind to correlate all its contents." —HP Lovecraft, 'Call of Cthulhu'

It is said that in Ulthar, which lies beyond the river Skai, no man may kill a cat; and this I can verily believe as I gaze upon him who sitteth purring before the fire. For the cat is cryptic, and

close to strange things which men cannot see. He is the soul of antique Aegyptus, and bearer of tales from forgotten cities in Meroë and.

In tales such as “The Call of Cthulhu” and At the Mountains of Madness, H.P. Lovecraft – the disciple of Poe and the champion of the Weird – pioneered a new kind of fiction. Fueled by an astronomer's insights and an antiquarian's aesthetic, Lovecraft turned his readers' focus “from man and his little world and his gods,.

Lovecraft has become a cult figure for his Cthulhu Mythos, a series of loosely interconnected fictions featuring a pantheon of human-invalidating entities, as well as the famed Necronomicon, a grimoire of magical rites and forbidden lore. His works were deeply pessimistic, fabricating a mythos that challenged the values of.

29 Jun 2016 . Were these simply private political opinions and nothing more, there might not be sufficient reason to read them into his work, but as several people have argued convincingly, Lovecraft's opinions form the basis of so much of his work.
