MIBE (Master Programme in International Business and Economics) is an intensive, full-time graduate programme entirely taught in English and designed for graduates who are seeking an international qualification in Business & Management.

Far from coming to an end, the global crisis is deepening the dilemmas in the aftermath of the storm. Since its outbreak between 2007 and 2008 until today, the supporters of austerity at global level are winning the dispute with arguments that show –once again– their ineffectiveness. The irony is that when there is a need for.
