## Descripción

In this empowering guide, Dr. Ana Nogales encourages Latinas to move beyond their expected roles and become the women they wish to be by embracing the seven traits they inherit naturally from their Latino culture:

- Espíritu Creativo (Creative Spirit)
- The Aguantadora's (Survivor's) Passionate Determination
- The Comadre's (Girlfriend's) Networking Ability
- The Diplomática's (Diplomat's) Discretion
- The Atrevida's (Risktaker's) Courage
- The Malabarista's (Multitasker's) Balance
- La Reina's (A Diva's) Confidence

Each chapter features an interactive element, including a quiz to determine how strong each attribute is in the reader's own personality, plus exercises to reinforce each trait. Filled with the personal stories of successful Latinas, including novelist Isabelle Allende, TV journalist Cristina Saralegui, Congresswomen Loretta and Linda Sánchez, *Latina* magazine founder Christy Haubegger, and entertainer Jaci Velásquez, *Latina*

*Power* inspires readers to vigorously pursue their own dreams.

Great information to understand that today latina es poder latina power descubre las 7 fortalezas que tienes para triunfar using 7 strengths.

I have had a number of clients tell me that their decision to break up or get divorced may have been made too abruptly. They confess that if they had understood then what they realize now, they might have been able to get through the crises that led to the split-up. They tell me that they might be more tolerant of an unfaithful,.
