## Descripción

Este libro es para las personas que ya tienen el primero y el segundo grado de Reiki. Ahora es el momento de comenzar a prepararse en la transmisión de los símbolos y en los alineamientos a otras personas.

Este libro refleja el proceso que mi persona vivió en la preparación para recibir el Master Reiki. Elaboración del programa del Primero, Segundo y Tercer Grado.

Su lectura es fácil y muy interesante, especialmente si su amor por las personas está bien desarrollado. Sanar el amar al prójimo es darle lo que más busca, la salud. El Master Reiki es una gran oportunidad para las personas con mucho amor, es el camino del servicio para alcanzar crecimiento espiritual.

Aquí encontrará los programas, diagramas y explicaciones intensas sobre la manera exacta de transmitir símbolos y dar alineamientos.

En mi experiencia he verificado que si nos damos Reiki diariamente, siempre estaremos listos

y preparados para dar Reiki en cualquier momento y en cualquier lugar, sin tantas ceremonias extrañas. La energía Reiki es como las brasas de una fogata, si soplamos se encenderá más.

Si nos damos Reiki diariamente, encenderemos más el fuego de la energía que es luz, fuerza, salud y amor.

Finalmente permíteme decirte que ser Master Reiki es una gran responsabilidad en nuestra vida privada y en la relación con los otros. Porque muchas personas a quién nosotros alineamos quisieran todos los grados, todos los poderes aquí y ahora, pero si les ponemos una pequeña tarea, un número determinado de personas atendidas, entonces no lo hacen. Lo quieren todo fácil para lucir sus diplomas y mejorar su curriculum, pero en la realidad no quieren ser sanadores de verdad.

Esta es una humilde contribución para contribuir a la difusión del maravilloso Reiki que a todos nos ha traído momentos inolvidables, agradables, vitalizantes y muy motivantes. Mi entusiasmo crece todos los días y siempre quiero saber más.
