Descripción

"Un cafetín servido por camareras. Pequeño escenario, al foro. A la derecha la estantería con botellas y el mostrador respectivo. EL REGENTE lava copas y despacha a medida que las camareras lo van pidiendo. Ocupan una mesa, Tomás EL RUBIO, el Inglés, JORGE y RAFAEL. Jóvenes criollos atendidos por HAYDÉE SUÁREZ, una de las camareras. En otra ESPERANZA la madrileña, cantará en traje de carácter, entreteniendo a dos o tres parroquianos españoles. Más allá cuatro MARINEROS INGLESES acaban de emborracharse. En una cuarta mesa un pobre diablo despunta un sueño ante una taza de café. LUIS con LA TIGRA, departen en una de primer término bebiendo cerveza él y té la camarera, y cerca de ellos el anciano SEÑOR HESPERIDINA, que no tendrá otra ocupación que la de comerse con los ojos a las camareras o interrumpir los diálogos expresivos en que éstas intervengan. Al alzarse el telón comienza la tercera parte del concierto. El pianista termina su sinfonía. Silencio en el auditorio. Uno de los MARINEROS se alza a duras penas gritando «¡hurra!», dando dos o tres palmadas, y se deja caer pesadamente. Descorrido el pequeño telón aparece el tenor, un fulano gordo, que después de entregar la partitura al maestro, con un vozarrón espantoso, anuncia: «'Generada' de Iris, maestro Mascagni», y arremete cantando «Apri la tua finestra», etc., etc. A los pocos compases se la arman."

This paper discusses drained-field studies in Venezuela beginning with the first investigations two decades ago that focused on field systems themselves and proceeding to recent research by the authors that examined the drained fields of La Tigra as part of a regional-scale project in the state of Barinas.
