Un trío de ases de Sherryl Woods que no puede faltar en tu biblioteca.

Desde el corazón

Maddie Townsend vivía en un pueblo llamado Serenity, pero en su vida no había habido ninguna paz desde que había acabado su matrimonio. Como madre y ama de casa no se sentía cualificada para ningún trabajo. Tenía un hijo de catorce años que de pronto se negaba a hablar, una hija de seis años con el corazón roto, un ex marido a punto de tener un hijo con su joven novia y dos amigas que la creían capacitada para ayudarlas a abrir un gimnasio y spa para mujeres. Pero si creía estar sumergida en el caos, eso no era nada comparado con lo que ocurriría cuando descubriera que el entrenador de su hijo sentía algo por ella, algo que todo el pueblo desaprobaba abiertamente. Maddie se había enfrentado a muchos desafíos con fuerza y resolución, pero quizá Cal Maddox fuera demasiado para ella. Claro que quizá fuera el único hombre capaz de ayudarla a encontrar la serenidad...

El rincón de Ryan

Cinco hermanos separados en la infancia, reunidos por el amor.

Ryan Devaney había sido abandonado por sus padres y separado de sus hermanos en la infancia, por eso no permitía que nadie se acercara a él. Hasta que un día, la vivaz Maggie O'Brien entró en su pub irlandés y declaró la guerra a la muralla de hielo que rodeaba su corazón. Ryan decía que no creía en el amor, pero la ternura y la sonrisa de la bella pelirroja templó su espíritu helado y despertó sueños olvidados... como el deseo de buscar a los hermanos que había perdido. Maggie lo había retado, ¿se atrevería él a creer que existían los finales felices?

Un futuro compartido

Los sueños de un hogar y una familia perseguían a Heather Donovan cuando se instaló en Chesapeake Shores. Los cálidos brazos del bullicioso y entrañable clan O'Brien los acogieron a ella y a su hijo, aunque esto hizo que Connor O'Brien, el padre de su hijo, se distanciara de ella.

El divorcio de sus padres y su trabajo como abogado especializado en divorcios habían conseguido que Connor viera el matrimonio con malos ojos. Aunque, quizás, perder a Heather lograra que pensara en el amor y en su profesión de un modo diferente.

Heather había renunciado a sus viejos sueños de amor, de familia y, sobre todo, de Driftwood Cottage, la casa que deseaba que fuera suya. Sería necesaria mucha persuasión, y algo de ayuda de los O'Brien, para hacer que Heather creyera que había sueños por los que merecía la pena luchar.
